Hubei Hothome Industry Co.,LTD
Hothome Co.,LTD

Hubei Hothome Industry Co.,Ltd, located in Yingcheng City, is established by Hothome (Ningbo) Textiles Factory in 2011. The factory is near Hanzheng Street, Wuhan City , Hubei Province, the "capital of clothing", specializing in producing the clothing, textile gifts&premiums, home textiles product, outdoor textiles.

The company has two factories now. The first factory is located in No.1 North Street, Chenhe Town, Yingcheng City, covering an area of 6600 square meters , focusing on the design, development, production and sales of outdoor leisure textiles, home textiles product and textile gifts&premiums, especially baseball caps and Visor, uniform aprons, kitchen textiles, home storage series, cleaning textiles, protective clothing, outdoor waterproof cover, tents etc. The new factory is located at No. 10 Hengsan Road, Yingcheng Economic Development Zone, covering an area of 33300 square meters, focusing on the chain restaurant uniforms, the medical uniforms, the supermarket staff uniforms, fashion clothing, especially shirts, polo, nursing scrubs, Lab coats, chef uniforms, vests, home wear, Jacket etc.. the factories are equipped with modern workshop and most advanced sewing equipment, as well as more than 400 professional skilled sewing workers engaged in garment production.

The company will step to a new level, taking Ningbo as the window for new product development and orders and relying on the complete supporting facilities of Wuhan economic circle and the vast human resources in central China. The scale of the company will reach 1000 people in the future, and the annual output value will reach hundreds of millions dollars. Under the strict quality control, we will pay attention to details, highlight the brand, and be a "thinking" manufacturer.

We will provide a window for everyone to know more about the production of clothing in Hubei, and make contribution to making Hubei the "world capital of clothing"! The company's production and operation is flexible. Importing and selling, processing, exporting directly from Wuhan port are acceptable. We can also take semi-finished products back to Ningbo factory and export after QC and package.

Strive to be the largest manufacturer of textiles exporting in central China!

Strive to be the best manufacturer of garments exporting in central China!

We warmly welcome all customers to discuss business in Ningbo factory and visit our production base in Hubei. We will be honored to provide you with high quality garments and inexpensive household products and textile promotional gifts!
